

9 June 2023

Dear Parents and Guardians,

### Co-Curricular School Trips and Expeditions

I am writing to tell you about some of the proposed and provisional Co-Curricular school trips and expeditions which will take place from October 2023 to Summer 2025. For many of the earlier trips, information has already been published and we are at an advanced stage of their planning and preparation.

Please note that there might be some further trips taking place during this period, for which the information will be released in due course. However, I felt that it was important to publicise some of the later, costlier trips as early as possible, to enable you to have a clear overview of the opportunities available to your son or daughter, and to plan accordingly. Trips not yet launched will be done so through Parentmail when further information and details about enrolment will be explained.

Dept / Type	Year Groups / Gender	Destination	Approx. dates	Approx. cost	Itinerary
