School Bus Service

The aim of the The Elms bus service is to provide quality and reliable school transport for all who require it at a reasonable cost. The Elms is delighted to offer these bus services in partnership with Skills of Nottingham. Full information of timetables and costs can be found [here](#). Our Elms staff also greet children when they arrive at school in the morning, and will escort them safely across the campus roads. If children are in After School Care, staff will ensure they are on the correct bus when they depart at 5.40pm.
