

Trent College

An Excellent British Boarding School

Welcome from
our Head

TRENT
COLLEGE

WELCOME TO TRENT COLLEGE

At Trent College we understand that your child is unique, and we are committed to unlocking their full potential. Our community provides daily opportunities for self-discovery, developing the passions and skills that prepare students for a future full of possibilities.

Your child will be immersed in English language, British culture and a boarding school way of life. With just 15% of our whole school originating from overseas, they will have an authentic British boarding school experience.

Our dedicated Trent College staff are committed to delivering the highest possible academic outcomes for every individual, while also supporting physical, creative, spiritual, and emotional development.

We provide a wealth of academic enrichment, leadership development and extra-curricular experiences that combine to enable students to achieve their personal goals. With the comprehensive support of our dedicated Careers department, your child will be exceptionally well prepared to apply to university, take on an apprenticeship or join the world of industry.

At Trent College, every day is an opportunity to Go Further.

A WONDERFUL PLACE TO LIVE AND STUDY

Starting a new school is exciting but can also be daunting, so new international boarders are welcomed into our community with our 'international induction' programme. This is an opportunity for your child to make friends, find their way around, meet key staff and settle into life at Trent College.

As your child grows up, they learn to become increasingly independent. Our boarders enjoy a safe and secure 45-acre campus, on the edge of a market town, within easy reach of the cosmopolitan city of Nottingham. From the age of 13 they can visit local amenities, such as coffee shops and newsagents, and from 14 can explore the city centre shops and entertainment.

To ensure everyone makes the most of their time, boarding accommodation, teaching spaces, sports and music are all conveniently located onsite on our beautiful campus. Our boarders live in one of four boarding houses, with well-furnished single or twin study bedrooms, communal living room areas complete with TV's and games, and kitchen areas where they can make their own snacks.

As a parent you can be reassured that your child has a comfortable living space, and that they are looked after by dedicated resident staff, who support and encourage them by providing a warm home from home environment with a strong sense of identity and community. Boarders are kept busy with a wide array of evening and weekend activities to enjoy when their academic studies are complete.

YOUR ACADEMIC PATHWAY

Academic studies are important at Trent College. We offer GCSEs, iGCSEs, A Levels and BTECS.

Excellent relationships between pupils, peers and teaching staff, create a happy environment, where everyone works together to achieve their personal best.

Your child will discover their own path, but here are a few examples to illustrate the possibilities.

Aderoyeke joined in Year 10 and achieved Biology, Chemistry, Maths & Physics A levels. She completed her Duke of Edinburgh's Gold Award and represented the school in netball. Aderoyeke went on to study Law with English Law at the University of Aberdeen.

Daniel was an Academic scholar and achieved A Levels in Chemistry, Maths, Further Maths & Physics. Whilst at Trent, Daniel learnt to fly gliders with the RAF Air Cadets. Daniel gained a degree in Mathematics at the University of Cambridge and is currently studying a Masters Degree in Maths at the University of Durham.

Sapira joined in Year 9, achieving an Academic scholarship in Year 10. She achieved A Levels in Art, French & Photography whilst boarding with us, and won a place at the prestigious Jimmy Choo Academy in London to study a degree in Fashion and Accessories Design.

We want every student to accomplish their own unique goals.

From the age of 16, your child will join Trent College Sixth Form. They will have all the facilities they need to succeed, including contemporary workspace with a well-equipped with a reference library, resource area, classrooms and a café.

Every student strives to accomplish their own unique goals. Our dedicated Careers team will guide your child, providing vital support and advice.

The impressive statistics from the past four years speak for themselves – over 337 pupils placed at universities, in subjects including medicine, biomedical sciences, dentistry, law, and veterinary sciences. Additionally, 27 are studying engineering, 92 are following paths in business, finance, or economics, showcasing the remarkable outcomes of a Trent College education.

In the past 4 years we placed 337 students at universities:

71 students in World Top 100 Universities

144 students in Russell Group research-led universities

98 students studying Science related subjects (including Medicine, Dentistry and Veterinary)

DISCOVER YOUR TALENTS

When choosing a school for your child, you strive to find a place where they can develop into a mature young person, as well as attaining academic excellence. Right from their first days, students at Trent College are encouraged to begin the exciting journey of discovering their talents and passions, whatever they may be. There is so much on offer, but here is just taste of what your child might enjoy.

Music

From the formal disciplines of choral and classical ensemble to jazz, rock and swing bands, there is such a breadth of Music at Trent College. There are regular ensembles for students to become part of and boarders benefit from a free instrumental lesson each week. We consistently achieve excellent GCSE and A Level results and many pupils extend their academic studies further with optional performance exams. Our most successful pupils go on to study music at Conservatoire level at leading institutions.

Drama

The quality and quantity of our drama productions is impressive, and students are encouraged to join in with a wide range of plays and reviews, from small studio ensemble work to ambitious whole school productions. The department is led by a working television actor, who has wide-ranging industry contacts and links to talent agencies.

Art & Photography

Many of our students distinguish themselves with their creativity to produce something remarkable. Our Art department hold several inspiring exhibitions throughout the year and the staff create an environment where students share their interests and explore opportunities.

Sport

We offer all our students a chance to represent the school through our fixture programme. The element of competition is strong. We create inspired participants and hope that pupils will leave with a life-long passion. Students from Trent College regularly win scholarships to American universities and move into professional sporting pathways.

Go Further at Trent College

Every day at Trent College is an opportunity to grow, explore, and achieve. Scan the QR code to discover how our international boarding community supports students academically, socially, and personally—helping them thrive and make the most of their boarding experience.
